## Some washing tips for our towels

- Wash at 50°C and avoid bleaching agents.
- A harsh texture to towels and bathrobes and an off-white colour are signs of bleach damage.
- Washing too hot can cause the bars on towels to shrink.
- Fabric conditioners reduce absorbency in towelling.

Davidoff Cold Water Fragrance,  
 Fragrance: Aquatic Fougere;  
 Top Notes: Jasmine, Lily, Gardenia;  
 Middle Notes: Herba Lycoris, Rosemary, Vetiver;  
 Base Notes: Sandalwood, Oakmoss, Ambergris

The scent is very unique, with a fresh, blue, and natural style.  
 A series of fresh notes with the breath of the sea, giving  
 people a profound and layered feeling.

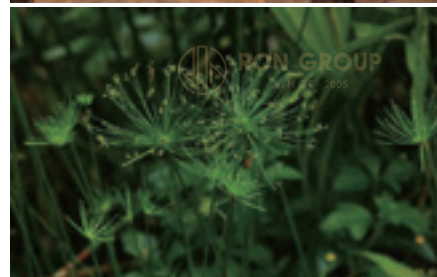

Fragrance: Adding India's "Old Mountain Sandalwood" extract, the fragrance is rich and lasting, with a hint of sweetness;

Then the Italian perfumer combined the local style to adjust it to be more in line with the Asian low-key and non-extroverted fragrance, using woody fougere fragrance, the top notes of the fragrance are sandalwood and cedar, the middle notes are violet, and the papyrus base notes are leather, amber and iris.
